

VICE PRESIDENT

Kristina Heisler

Peterson Adams Real Estate
Lodi

I LOVE what I do! I have always enjoyed working with my wonderful clients and colleagues. It is so fulfilling and satisfying to assist my clients with one of the most important purchases of their lifetime. I have been a licensed Realtor since 2013 and immediately became involved at Lodi Association of Realtors. I began working with the Programs Committee and I still continue as the chair. I have been running the weekly Marketing Meetings since 2021 and I love the accountability of the position. I have been involved in the Master's Club and the Grievance Committee.

I am in my second year as a LAR Director and a CAR Director - attending those meetings keeps me on my toes and in front of the changes that are always happening in our profession. I was most recently awarded the Realtor of the Year 2023! I am honored, humbled and very appreciative to receive such an award. I am a proud mother of two brilliant adult children whom I love and adore. I enjoy traveling, baking, reading, gardening, walking and hiking - anything that involves the beautiful sunshine! I am looking forward to the opportunity to continue to serve in the leadership capacity of Vice President and President of our Association.

2 YR. DIRECTOR

Sally Motta

Re/Max Grupe Gold

Lodi

I began my career in the banking industry as a teller, then a real estate loan officer and an escrow officer. I then worked in the title business as an escrow officer for an additional 20 plus years. I moved to Hawaii and was the mortgage broker of a privately owned mortgage company and processed mortgages before obtaining my real estate license and sold real estate there for 7 years. Upon returning to California, I obtained my second license here in 2018. I had sold real estate in California beginning in 1979 and remember the 2 paged contracts we had at that time. I have become familiar with the various new documents and continue to learn as new documents become a part of our industry.

My career has presented me with extensive knowledge and experience with all areas concerning real estate and after attending my first Legislative day, I knew becoming a director and attending meetings at C.A.R was my next goal. I have been attending C.A.R. conferences every year since then at my own expense, but I feel the information I obtain has been so valuable the money was well spent.

My management team has asked me to update my fellow agents after these meetings and I enjoy sharing the information and I take lots of notes so I can answer the questions they ask. I would like to represent LAR the same way I do my coworkers and I am very enthusiastic about passing on the information gathered at these meetings to fellow Realtors as it is important to keep our members up to date on the latest subjects that affect all of us.
